DIRECTIONS FOR USE

BLATTANEX, when used according to directions, will give effective residual control of insect and other pests listed below in situations such as domestic, public service, industrial and commercial areas.

Spray crawling insects and infested areas using the supplied crack and crevice nozzle inserted into the harbourage. Apply as a barrier spray around inaccessible places.

PEST	STATE	CRITICAL COMMENTS
Cockroaches	ALL STATES	Spray skirting boards, cupboards, drawers, behind and under stoves and other kitchen appliances. Use extension tube to direct spray into cracks, crevices and other hard to reach places.
Ants		Spray around and in garbage bins, food disposal areas, sills and other points of entry.
Spiders		Spray eaves, webs and other sites where spiders lurk.
Flies, mosquitoes		Spray surfaces where flies and mosquitoes settle. For outdoor fly control spray garbage bins, and around unit incinerators and barbecues.
Silverfish		Spray around bookshelves, drawers, along skirting boards and architraves.
Clothes moths, Carpet beetles		Spray clothes storage areas. Lightly spray carpets particularly in areas of little or no traffic.
Bed bugs		Lightly spray mattresses, bed frames and skirting boards
Millipedes, Earwigs		Thoroughly spray surfaces where they are found or where they enter homes.
Slaters (Woodlice, Common pillbug)		Spray surfaces where they congregate, eg. in laundries, sheds and under pot plants.
European Wasp	NSW, VIC, TAS, SA, WA ONLY	Use for accessible nests. Spray after dark and wear insect proof clothing to avoid being stung. Spray in and around nest entrances until the nest is saturated. Spray again 3 days later then destroy the nest.

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

SAFETY DIRECTIONS

Avoid contact with the eyes and skin. Do not inhale vapour or spray mist.

FIRST AID

If poisoning occurs contact a doctor or Poisons Information Centre. Phone 131126. If sprayed on skin, wash thoroughly. If sprayed in mouth, ~~give milk or~~ rinse mouth with water.

CAUTION

DO NOT USE AS A SPACE SPRAY. DO NOT SPRAY DIRECTLY ON HUMANS, EXPOSED FOOD, FOOD UTENSILS OR FOOD PREPARATION AREAS.

HIGHLY FLAMMABLE: DO NOT SPRAY UNINTERRUPTED FOR MORE THAN 10 SECONDS IN CONFINED SPACES. KEEP AWAY FROM NAKED FLAMES. ENSURE GOOD VENTILATION.

WARNING: INTENTIONAL MISUSE BY DELIBERATELY CONCENTRATING AND INHALING CONTENTS CAN BE HARMFUL OR FATAL.

CAUTION: Cover fish tanks before using. Remove pets from rooms before, and for a short time after treatment. Blattanex may damage some plastics and hand made textiles, therefore make a test application first.

Storage and Disposal

Keep in a cool place out of the sun. Do not puncture or incinerate this can, even when empty. Aerosols should be completely empty before disposal. Place used cans in household rubbish.

Notice: Purchaser assumes all risk of use and handling where the product is not used in accordance with directions given.
